July 2018 Ornament of the Month

The pattern is a free download for you to print and use. It is only available free during the month it is offered.

Kits can be ordered anytime at:

www.attic-heirlooms.com

The kit will contain all the fabric needed to make the ornament, Paper backed fusible and any embellishing items for that month if applicable.

Read all instructions before starting.
Pattern does not require reversing.

1. Trace star points and snowman head on paper side of fusible. Rough cut around shapes and iron to corresponding wool. Cut out wool shapes.
2. Trace the two hexie shapes onto dull side of freezer paper. Iron to the wool and cut out on the lines. Remove paper from all pieces.
3. Fuse the shapes to the smaller hexie positioning as shown in the picture. Stitch around using blanket or whip stitch.
4. Add embroidery stitches. French knot eyes (I wrapped thread two times), long straight stitches for nose. Star bursts are short straight stitches with a French knot in the middle.
5. Position and pin to the black backing hexie and blanket stitch around the edge.
6. At this time you can back the black hexie and stitch around the outer edge or set aside for finishing options at the end of the year.
7. Enjoy the work of your hands!
